The derby park is open to the public everyday, but vehicle access is restricted. Cubmobile events **DO NOT** require key access to the gates. Due to the steering and braking limitations of cubmobiles, GHSBD recommends that the starting line be approximately 2/3 of the way up the hill and cars be walked up the hill on the sidewalk that runs parallel to the track.

Greater Houston Soap Box Derby (GHSBD) is not responsible or liable for any events other than those scheduled and sanctioned by GHSBD. Hockley Derby Park is a Harris County Pct. 4 Park and is subject to the same rules, regulations and liability as all other Harris County Parks. Rules are posted on signs at the park.

GHSBD will forward this form to the Harris County Parks Department for approval and will get back with you with their reply.
