Sportsmanship

Greater Houston Soap Box Derby believes that Sportsmanship is an honorable quality that reflects courtesy, fairness, and respect. It is a blending of winning humbly, losing graciously, observing the spirit and letter of the rules, and showing consideration for fellow racers, adults, officials and spectators. It is enjoying the sport of Derby by the code of conduct, "treat others as you would want to be treated". A racer who practices good sportsmanship is likely to carry the respect and appreciation of other people into every other aspect of life.

Fundamentals of Sportsmanship

1. Respect and encourage your opponents.
2. Respect the judgment of race officials.
3. Understand and follow car construction rules and race procedures.
4. Maintain self-control. Be cool. Don't complain or make excuses.
5. Recognize and appreciate others' skills.
6. Have fun, do your best, strive to improve your car and your driving abilities, race hard but fairly.

Sportsmanship is also as simple as a smile and a pat on the back from a parent in support and encouragement of their driver, without criticism or correction of mistakes. Kids who see adults behaving in sportsmanlike ways as role models generally come to understand that real winners are those who show respect and dignity. Adults can promote a "fun is number 1" attitude for everyone involved.

Good sports are winners.

Good sportsmanship is contagious...pass it on.
